MASTER CONTRACT

THIS CONTRACT AND AGREEMENT, made and entered into this first day of July, 2007 by and between KEOTA COMMUNITY SCHOOL DISTRICT, hereinafter referred to as the District, and the KEOTA EDUCATION ASSOCIATION, hereinafter referred to as the Association.

WITNESSETH:

ARTICLE 1

PREAMBLE

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement. It is agreed as follows:

ARTICLE II

GRIEVANCE PROCEDURE

Section 1. A grievance shall mean only a complaint that there has been an alleged violation, misrepresentation or misapplication of any of the specific provisions of this Agreement.

- Section 2.**
- a. Every member of the bargaining unit covered by this Agreement shall have the right to present grievances in accordance with these procedures, and more than one (1) member of the bargaining unit with the same grievance may join in the grievance.
 - b. The failure of a member of the bargaining unit (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
 - c. It is agreed that any investigation or other handling or processing of any grievance by the grieving teacher shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving teacher or of the teaching staff.

Section 3.

- a. **First Step**

An attempt shall be made to resolve any grievance in verbal discussion between complainant and his/her principal.

- b. **Second Step**

If the grievance cannot be resolved verbally, the aggrieved party shall file the grievance in writing, and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within twenty (20) school days from the date of occurrence of the event giving rise to the grievance. The principal shall make a decision on the grievance with reason therefore and communicate it in writing to the party and the Superintendent within five (5) school days after receipt of the grievance.

b. Third Step

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved party shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and Superintendent or his/her designee shall meet to resolve the grievance. Either party may call witnesses in support of their position. The Superintendent or his/her designee shall file a decision with reasons therefore within ten (10) school days of the third step grievance meeting and communicate it in writing to the teacher and the principal.

d. Fourth Step

If the grievance is not resolved satisfactorily at Step Three, there shall be available a fourth step of impartial binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving party to the Superintendent within twenty (20) school days from receipt of the Step Three answer to enter into such arbitration. The arbitration proceeding shall be conducted by an Arbitrator to be selected by the two (2) parties within five (5) school days after said notice is given. If the two (2) parties fail to reach agreement on the Arbitrator within five (5) school days, the Public Employment Relations Board (PERB) will be requested to provide a panel of seven (7) arbitrators. Each of the two parties will alternately strike one (1) name at a time from the panel until only one (1) shall remain. The remaining name shall be the Arbitrator. The decision of the Arbitrator shall be final and binding on both parties.

Expenses for the Arbitrator's services shall be borne equally by the School District and the Association. The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the School District and the Association and his/her decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement and nothing may be submitted to arbitration that has not previously been submitted.

Section 4.

If the Association or any employee files any claim or complaint in any form other than under the grievance procedure of this Agreement, then the School District shall not be required to process the same claim or set of facts through the grievance procedure.

Section 5. An aggrieved person may be represented at all stages of the grievance procedure by himself/herself and/or, at his/her option, by the representative of the Association, and likewise, the principal may have another member of the administration and/or a representative present at all stages.

Section 6. In the event that arbitration takes place within school hours, the person or persons involved shall be released from school duties to participate in arbitration proceedings without loss in pay.

Section 7. All documents, communications, and records dealing with the processing of grievance shall be filed separately from the personnel files of the participants.
